We are Driving Economic Success

About the WIB

Our Workforce Investment Board (WIB) makes critical investments in workforce training and education so that businesses can compete and prosper, and our community can thrive.

Our funding and resources for workforce initiatives support local businesses in finding and retaining a highly skilled workforce.

The WIB's strategies solve economic challenges by developing workforce innovations that ensure that all Tulare County businesses continually contribute to generating wealth and economic success in our community.

Our Mission – Our Vision

Our Mission: Our investments and funding strategies advance Tulare County's economic vitality by growing the skills and talent of our workforce.

Our Vision: Because of our skilled workforce talent, Tulare County businesses continue to thrive in a global economy.

The WIB Focus

High Growth Industry Employment & Training Strategies engage our stakeholders in business, economic development, education and workforce develop sector-based initiatives that benefit key industries within our region including healthcare, advanced manufacturing, green, logistics, and agri-business.

Work Readiness Certificate provides assurance that prospective employees have an acceptable level of soft skills.

Pipeline Strategies build our up and coming workforce talent, and is a critical solution to regional brain-drain and keeping local talent to support businesses in our region.

Business Services – Innovate Tulare County is a special initiative comprised of community partners that collaborate to bring a full spectrum of business solutions to our region.

Employment Connection is the County's network of One-Stop Career Centers that offer employment and training services to job seekers and laid off workers and is driven by the WIB's strategies, direction and vision.
