#### **IV. One-Stop System Overview**

Employment Connection Centers are open to all partners required by law, to other key partners designated by the State, and to any organization involved or interested in workforce development that by written agreement with the WIB desires their services made available at an Employment Connection Center. At a minimum, the range of programs, funding streams, and the Employment Connection services will meet those required under WIOA. The system shall have the following components:

1. **Integrated Services:** A seamless system presented to the customer.
2. **Customer Focused:** All aspects of service delivery are designed to consider customer needs and interests.
3. **Customer Choice:** A system that provides a wide array of helpful information to assist the customer in making an informed choice.
4. **Customer Access:** A system design for universal access with “no wrong door” entrance and single exiting point into integrated services.
5. **Community Support:** The system will promote and nurture broad-based community support.
6. **Performance Driven:** The system will establish clearly identified outcomes and methods for measuring achievement.

To negotiate an increasingly complex and demanding labor market, Employment Connection services include readily accessible, comprehensive information about area employment and educational opportunities as well as customized service delivery. The Employment Connection Centers are strategic in upgrading incumbent workers' basic and occupational skills and those newly entering the workforce. At the Employment Connections, customers can obtain information about job availability and career educational opportunities. By becoming effective and efficient consumers of career programs and services, customers can make a positive step toward attaining better skills, jobs, higher wages, and improved quality of life.

Offering a highly-skilled, motivated workforce is a significant consideration for locating and expanding businesses. A strong one-stop system is a major step in promoting economic development in Tulare County. By doing so, Tulare County is poised to retain and attract high-quality jobs to the area.

The Employment Connection System provides integrated services through its comprehensive Employment Connection Centers in Visalia and in Porterville. The Visalia center is centrally located within the county, and the Porterville center is in the southeast part of the county. In addition to these locations, basic, individualized career services and training services are provided through affiliate centers in Dinuba and Tulare. Employment Connection Center locations and contact information can be found in Attachment D.

The Employment Connection staff is divided into service delivery teams to offer efficient integrated services and high-quality customer care: 1) Welcome Team 2) Skills and Talent Team 3) Employment Solution Team 4) Customer Experience Team. An Employment Connection Job Seeker Flow chart can be found in Attachment C.

To help with system integration, Employment Connection System partners will work with the Employment Connection One-Stop Operator (OSO). The WIB was approved by the California Workforce Development Board as the OSO for the Employment Connection System. The OSO provides leadership and guidance to the Employment Connection System through several approaches to coordinate activities in accordance with WIOA.

The OSO's role includes:

- Coordinating service delivery of required partners
- Ensuring the implementation of partner responsibilities and contributions agreed upon in the Employment Connection Partner MOU
- Continuously support partner integration and universal access

## **V. MOU Partnership Agreement**

The Employment Connection System partners of this MOU agree to participate in joint planning, plan development, and modification of activities to accomplish the following:

- **Partner Services** - Accessibility of the partners' applicable services. To provide the One-Stop services to the target populations outlined in Attachment F – Employment Connection Partners and Services Matrix.
- **Employment Connection Committee** - The WIB, appointed by and in a written agreement with the Tulare County Board of Supervisors, is the One-Stop Policy Body responsible for system planning, fiscal responsibility, and oversight of the ***Employment Connection*** System. The WIB established the Employment Connection Committee (ECC) as its advisory body for the One-Stop system. The ECC is a committee of the WIB, composed of Employment Connection Partners and chaired by a member of the WIB.
- **Cost Sharing** - Employment Connection Partners agree to pay a proportional share of the cost toward the operation and services of the system in accordance with an infrastructure funding agreement if applicable.
  - All relevant parties to this MOU agree to share in the operating costs of the One-Stop system, either in cash or through in-kind services. The cost of services, operating cost, and infrastructure costs of the system will be funded by all Employment Connection partners through a negotiated Infrastructure Funding Agreement based on an agreed-upon formula or plan. The Infrastructure Funding Agreement is outlined in Attachment B.
  - Employment Connection partners will ensure that the shared costs are supported by accurate data, the shared costs are consistently applied over time, and the methodology used in determining the shared costs is reflected in the Infrastructure Funding Agreement section.
  - Each colocated partner agrees to negotiate and implement an infrastructure funding plan annually.
- **Regularly Partner Convenings** - Regular participation in the planning and development process through their participation on the Employment Connection Committee, subcommittees, and partner workgroups.
- **Cross-Training** - All partners and staff are adequately cross-trained as a result of their participation in capacity building and staff development opportunities.
- **Review and update this MOU** - At minimum, ***every three (3) years*** to ensure it contains updated information regarding funding, delivery of services, and changes in the signatory official of each party. If necessary, renegotiate after Local Workforce Development Plans, and Regional Workforce Development Plans have been developed. Partners further

agree to update this MOU to reflect any updated information regarding the delivery of services developed by the partners.

- **Co-branding and System Affiliation** – Employment Connection System partners will include the “Employment Connection” and “AJCC” or “A proud partner of the American Job Center of California” branding on any joint products programs, activities, services, facilities, and materials used by the combined partnership of the Employment Connection System. [The Employment Connection Brand Guide](#) provides language and marketing guidance for co-branding.
- **Opportunities for Continuous Improvement** – At a minimum, the Employment Connection Centers will be assessed through the certification process once every three years for each center's effectiveness, physical, programmatic accessibility, continuous improvement opportunities, and Employment Connection delivery systems. The certification process identifies services, approaches, strategies, and tasks that could benefit from further assessment and, as appropriate, actions to improve, enhance, or expand them. Employment Connection partners agree to support these recommendations as part of 2022 through 2024 goals within the [Employment Connection’s Certification Continuous Improvement Plan](#) ([www.tularewib.org/resources](http://www.tularewib.org/resources)).

#### **VI. Infrastructure Funding Agreement & Other Shared System Costs – Applicable Services**

The WIB and Employment Connection Partners have chosen to develop a separate infrastructure cost budget for each of the two comprehensive Employment Connection Centers in Visalia and Porterville.

All Parties agree to review and modify the Infrastructure Funding Agreement (IFA), at minimum, annually to ensure it contains updated information regarding infrastructure and other system costs and delivery of services. The WIB will be responsible for reviewing and sharing infrastructure and other system costs annually with Parties and renegotiating costs if necessary to ensure that all Parties continue to contribute their fair and equitable share.

The WIB Administrative Service Officer is responsible for ensuring that all the Employment Connection Centers' infrastructure costs are paid according to the provisions of their signed IFA. The estimated proportionate share of costs for each Party is based on budgeted expectations. Until the actual costs are known and the usage and benefits are calculated, each Party’s true proportionate share of the cost will be unknown. Therefore, regardless of the type, all Parties' contributions will be reconciled annually, comparing expenses incurred to relative benefits received. The process is necessary to ensure that the proportionate share each Partner program contributes remains consistent with the cost methodology, is up to date, and is in compliance with the terms of this MOU. IFA and Other Shared System costs can be found in Attachment B.

<b>Reconciliation Schedule</b>	<b>Reconciliation Date</b>
July 1, 2022 – June 30, 2023	September 15, 2023
July 1, 2023 – June 30, 2024	September 15, 2024
July 1, 2024 – June 30, 2025	September 15, 2025

If it becomes necessary for a partner program to end their colocation at the Employment Connection Center, the partner shall notify the WIB, in writing, 30 calendar days in advance of the effective date and upon completion of any financial and operational commitments.

### **Other Employment Connection System Costs – Applicable Services**

All Employment Connection System Partners are responsible for the sharing of Other Employment Connection System Costs – Applicable Career Services. The agreed-upon budget for other-system costs must align with the MOU agreement that outlined shared customers and services. If it does not, the MOU must be amended to justify the budgeted system costs and align with the Infrastructure Funding Agreement.

The other-system-costs budget must be a consolidated budget that includes a line item for applicable career services. The MOU requires identifying the career services applicable to each Partner program. Accordingly, this budget must include each Partner's costs for the service delivery of each applicable career service and a consolidated system budget for career services applicable to more than one Partner. If new costs are accepted in the Infrastructure Funding Agreement, they must include language amending the MOU descriptions to align with this budget. The Employment Connection System Career Services Budget can be found in Attachment A.

Applicable Career Services are services authorized to be provided under each partner's program. A breakdown of partner services can be found in Employment Connection System Partners and Services Matrix in Attachment F.

### **Partners Sharing Infrastructure Cost When Benefit Data Are Available**

Infrastructure Funding Agreement Requirement: When the state implements the requisite statewide data tracking system, and data is available, all non-located Partners who benefit from the Employment Connection System will also be required to contribute their proportionate share towards infrastructure costs. Consequently, the Infrastructure Funding Agreement must include an assurance from all non-located Partners that they agree to pay their proportionate share of infrastructure costs as soon as sufficient data are available. The only exception is that Native American programs are not required to contribute to infrastructure funding. WIOA Section 121[h][2][D][iv]).

## **VII. Methods for Referring Customers**

The Employment Connection System Partners are committed to mutually implementing processes for customers' referral to services not provided on-site. Partners are expected to be thoroughly familiar with each program's functions and basic eligibility requirements to assist customers and appropriately make knowledgeable referrals to partner programs. The implemented referral process described in Attachment E focuses on quality referrals that are likely to convert to services.

The partners mutually agree that the process of referral will also include the following:

- Intake and referral processes are customer-centered and provided by staff trained in customer service.
- General information regarding Employment Connection programs, services, activities, and resources shall be made available to all customers as appropriate.
- Each Employment Connection Partner will provide a direct link or access to other Employment Connection Partner staff that can provide meaningful information or service, through the use of colocation, cross-training of Employment Connection staff, or real-time technology (two-way communication and interaction with Employment Connection Partners that results in services needed by the customer).

#### **VIII. Access for Individuals with Barriers to Employment**

The Employment Connection Partners are committed to providing integrated service delivery to individuals with barriers to employment to succeed in education, training, and other workforce preparation activities and gain quality employment. The term “Barriers to Employment” is defined as characteristics that may hinder an individual’s hiring, promotion, or participation in the labor force as defined in WIOA

The Employment Connection Partners offer priority for services to recipients of public assistance, other low-income individuals, or individuals who are basic skills deficient when providing individualized career services and training services with WIOA adult funds.

#### **IX. Shared Technology and System Security**

- Develop technological enhancements that allow interfaces of everyday information needs, as appropriate.
- Understand all partners shall agree upon that system security provisions.

## **X. Confidentiality**

The Employment Connection Partner agrees to comply with the provisions of WIOA regulations that state privacy and confidentiality must be maintained consistent with applicable federal, state, and local privacy and confidentiality laws, including section 10850 of the Welfare and Institutions Code, the California Education Code, the Rehabilitation Act, Health and Insurance Portability and Accountability Act of 1996 (HIPPA) Family Educational Rights and Privacy Act (FERPA) requirements and all other State and Federal laws, statute or requirement to assure the following:

- All applications and individual records related to services provided under this MOU, including eligibility for services and enrollment and referral, shall be confidential and not be open to examination for any purpose not directly connected with the delivery of such services.
- No person will publish, disclose use, or permit, cause to be published, disclosed, or used, any confidential information about Employment Connection applicants, participants, or customers overall unless a specific release is voluntarily signed by the participant or customer.
- The Employment Connection Partner agrees to abide by the current confidentiality provisions of the respective statutes to which Employment Connection operators and other Employment Connection Partners must adhere and share information necessary for the program's administration as allowed under law and regulation. Therefore, the Employment Connection Partner agrees to share client information necessary for the provision of services such as assessment, universal intake, program or training referral, job development or placement activities, and other services as needed for employment or program support purposes.

Client information shall be shared solely for the purpose of enrollment, referral, or provision of services. In carrying out their respective responsibilities, each party shall respect and abide by the confidentiality policies of the other parties.

## **XI. Americans with Disabilities Act and Amendments Compliance**

Each Employment Connection Partner will ensure their policies, procedures, programs, and services comply with the Americans with Disabilities Act of 1990 and its amendments to provide equal access to all customers with disabilities. Additionally, partners agree to comply with the provisions of WIOA fully, Title VII of the Civil Rights Act of 1964, the Age Discrimination Act of 1975, Title IX of the Education Amendments of 1972, 29 CFR Part 37, and all other regulations implementing the aforementioned laws.

### **Ensures Equal Opportunity for Individuals with Disabilities**

All Employment Connection Centers will be assessed regularly to ensure they are physically and programmatically accessible to individuals with disabilities, as described in WIOA Section 188 and Title 29 *Code of Federal Regulations* Part 38.

Employment Connection Partners commit to the following:

- Providing reasonable accommodations for individuals with disabilities.
- Making reasonable modifications to policies, practices, and procedures where necessary to avoid discrimination against persons with disabilities.

## **XII. Duration**

The term of this agreement shall be **July 1, 2022, to June 30, 2025**, and shall be binding upon each party hereto upon execution by such party and shall be automatically renewed thereafter on a year-to-year basis, unless any party gives notice of non-renewal at least thirty (30) days prior to an anniversary date or withdraws from this MOU as permitted in the following paragraph.

## **XIII. Withdrawal of MOU**

The parties understand that implementation of the Employment Connection System is dependent on the good faith effort of every partner to work together to improve services to the community. The parties also agree that this is a project where different ways of working together and providing services are being tried. In the event that it becomes necessary for one or more parties to cease being a part of this MOU, said entity shall notify the other parties, in writing, 30 days in advance of that intention. This MOU shall remain in effect until terminated in accordance with this paragraph. Any party may withdraw from this MOU by giving written notice of intent to withdraw at least 30 calendar days in advance of the effective withdrawal date and upon completion of any financial and operational commitments.

## **XIV. Evaluation and Review**

In order to provide a vehicle for ongoing evaluation, review, and discussion of operational issues, the WIB and the Employment Connection Partners agree to meet regularly to discuss issues related to the implementation of this MOU.

## **XV. Grievance and Complaint Resolution**

Grievances or complaints connected with the WIB and its WIOA Title I grant sub-recipients shall be submitted in writing, signed, and dated by the complainant to the WIB. The filing shall be considered a request for a hearing, and the WIB shall issue a written decision within 60 days of the official filing date. All grievance, complaints, hearing procedures govern the treatment and handling of all grievances or complaints connected with the WIB and its WIOA Title I grant sub-recipients can be found in WIB Directive TUL 19-01.

## **XVI. Modification and Revision**

This is a federal program under the Workforce Innovation and Opportunity Act. Should the United States Department of Labor or the State of California prescribe rules or regulations,

which are unknown at this time, that vary from the terms of this agreement, the parties shall each have the right to withdraw from this agreement unless the changes are acceptable to both parties as documented by amendments to this MOU signed by both parties. Should either party be unable to agree with said requirements, they may withdraw in accordance with the Paragraph “WITHDRAWAL FROM MOU” of this document.

## **XVII. Administrative and Operational Management**

It is understood that each Employment Connection Partner agency is subject to its own policies, procedures, regulations, statutes, and any applicable collective bargaining agreements.

### **Supervision/Day to Day Operations**

The day-to-day supervision of staff assigned to the Employment Connection Center will be the responsibility of the supervisor(s) of the partner agency. The employer of staff assigned to the Employment Connection Centers will continue to set the priorities for their staff. Any change in work assignments or any problems at the worksite will be handled by the site supervisor(s) and the management of the primary employer.

The office hours for the staff at the Employment Connection Centers will be established by the primary employer's site supervisor(s). All staff will comply with the holiday schedule of their primary employer and will coordinate their holiday schedule with the One-Stop Career Services Provider at the beginning of each calendar year. Each partner will provide a schedule to the OSO to develop an annual partner holiday calendar.

Disciplinary actions for staff assigned to the Employment Connection Center are the sole responsibility of the partner agency. In addition to any disciplinary action by the employing partner, serious offenses by any partner may result in the removal of colocated staff from the Employment Connection Center.

Each party shall be solely liable and responsible for providing all legally required employee benefits to, or on behalf of, its employee(s). In addition, each party shall be solely responsible and save all other parties harmless from all matters relating to the payment of each party's employee(s), including compliance with social security withholding, workers' compensation, and all other regulations governing such matters.

The parties shall first attempt to resolve all disputes informally at the lowest level, starting with the center supervisors and staff. If dispute resolution is not accomplished, any party may request a meeting with the One-Stop Operator as the facilitator to formally discuss and resolve all disputes. Should the parties fail to resolve the dispute, the dispute shall be referred in writing to the One-Stop Operator. Those issues not resolved by the One-Stop Operator may be appealed to the WIB, whose decision shall be final.

### **Press Releases and Communications**

All relevant parties shall be copied when communicating with the press, television, radio, or any other form of media regarding the operation of the Employment Connection Center. Each party's public relations policies will determine the participation of each party in press/media

presentations. Unless otherwise directed by the other parties, each party shall make specific reference to the Employment Connection as the identifier for all services provided by the Employment Connection partner agencies in all communications.

The parties agree to utilize the Employment Connection logo and America's Job Center of California (AJCC) logo developed by the State of California on buildings identified for Employment Connection/AJCC usage. This could include letterhead, envelopes, business cards, written correspondence, and fax transmittals.

### **No Joint Venture**

The parties expressly agree that it is not intended in any way that this MOU is interpreted as a legal partnership or legal joint venture between the parties. ### **Indemnification Provision**

Each party agrees to indemnify, defend, and hold harmless the other party and its respective officers, agents, and employees from all claims, actions, and losses accruing or resulting to any person who may be injured or damaged solely by the indemnifying party in its performance of this Agreement, in accordance with Government Code Section 895.4. This provision shall survive the term of this agreement.

## **XVIII. Assurances of Non-Discrimination**

The partner shall not unlawfully discriminate, harass, or allow harassment against any employee, an applicant for employment, or Employment Connection applicant due to gender, race, color, ancestry, religion, national origin, veteran status, physical disability, mental disability, medical condition(s), age, sexual orientation, or marital status. ## XX. Authority and Signatures

The individuals signing below have the authority to commit the party they represent to the terms of this MOU, and do so commit by signing. Notwithstanding the use of the terms partners and partnerships in this MOU, I understand that these terms are used only in a colloquial sense. Therefore, all parties to this MOU are independent contractors with respect to one another and agree that there is no legally enforceable partnership, agency or joint venture among or between the parties.

This MOU may be executed in duplicate counterparts, each of which shall be deemed a duplicate original. The MOU shall be deemed executed when it has been signed by all Parties. By signing below, all Parties agree that when data are available to determine the AJCC benefit to non-co-located Partners, the infrastructure funding agreement will be renegotiated to include their proportionate share of contributions with the exception of programs identified in WIOA Section 121[h][2][D][iv].

*Definition of Colocated Partners – "All Employment Connection System Partners who have a physical presence within the center, either full time or part-time."*

### **IV. Infrastructure Cost Allocation Methodology**

The colocated Partners agree that the cost methodology to be used to determine the proportionate share of infrastructure costs for each colocated Partner is the proportion of a Partner program's occupancy percentage of the Employment Connection Center (square footage).

The initial proportionate share of infrastructure costs allocated to each Partner is based on the agreed upon cost allocation methodology, each Partner's estimated total contribution amount, and whether it will be provided through cash, non-cash (in-kind), and/or third-party in-kind contributions. This initial determination will be periodically reconciled against actual costs incurred and adjusted accordingly.

Although cash, non-cash, and third-party in-kind contributions to cover their proportionate share of infrastructure costs are allowable, the partners have agreed that cash contribution is the only method of payment. This cost allocation methodology was selected because it adheres to the following: consistent with federal laws authorizing each Partner's program, complies with federal cost principles in the Uniform Guidance, includes only costs that are allowable, reasonable, necessary, and allocable to each program Partner, is based on a measure that mathematically determines the proportionate use and benefit received by each colocated Partner.

## Employment Connection - Partner Referral Process

The Employment Connection System focuses on customer access with a system that provides universal access with "no wrong door" entrance and exiting point into integrated services. The Employment Connection referral process guides partners co-located and non-co-located staff to be highly familiar with each program's functions and basic eligibility requirements. A Partner Guide has been developed as a tool for staff to help appropriately assist customers and make knowledgeable referrals to partner programs. The referral process is implemented to focus on quality referrals that are likely to convert to services.

**Partner Guide:** Each partner has completed the Partner Referral Guidelines template that provides an overview of each agency's services to eligible customers. In addition, the Partner Guide provides in-depth information that includes the following:

- Basic eligibility information
- Program services
- Average wait time for eligibility
- Duration of programs
- Follow-up services
- Contact information (option-designated contact person)
- Office hours, locations

**Designated Contact Person (Single Point of Contact- SPOC):** Each agency has identified 1-2 SPOCs to receive referrals.

It's each partner's responsibility to keep their information current. The Partner Guide can be found online [www.employmentconnection.org](http://www.employmentconnection.org).

### **Referral Process**

1. Employment Connection partner staff can access the Partner Guide and Partner Referral form online: [www.employmentconnect.org](http://www.employmentconnect.org) – Partner Services. Partner referrals can be completed electronically through a web-based Partner Referral form or PDF Referral form.
  - a. [Web-based Partner Referral](#)
  - b. PDF Partner Referral (fillable form)

2. The referring agency provides program information to customers and basic eligibility requirements to prepare them for the referral.
