7) **ROUNDTABLE DISCUSSION**

Robert Kleyn

Carla Calhoun – CSET — Every year CSET offers Income Tax Assistance Program. This is done through volunteers of the community. The first step is the call to seek volunteers for next Tax Season and that is coming up this Fall. Last year we assisted over Three Thousand low to moderate Income-level families/individuals.

Larriann Torres – Porterville Adult School (PAS) – Classes started for both day and night courses. Sign-ups for the August 23rd & 25th Orientation to the second cohort of our Nurse Assistant Program that runs from October 6th Through November 30th.

Tammy Olson – Visalia Adult School (VAS) — Small Business Ownership, Custodial Technician Program, and Para-Professional Training courses will start in October. We are targeting our second language students, but all are welcome. We are looking at starting a Robotics Technician Program in January 2023. AB-2044 before the governor that will eliminate A-G credit for CTE. Please read the legislation and reach out to you legislator.

John Werner – Sequoia Adult Education Consortium (SAEC) — The Program that VAS is modeling is an accredited program and hopes the VAS does well with it. Federally speaking there is legislation that could place ore wiggle room with Adult Education funding process. We do have a larger funding source from the state; however, this will provide a bit more for our local areas. Title II has a notable pilot that would allow agencies to use flexible metrics in evaluating their performance.

Christina Guzman – Cutler-Orosi Joint Unified School District (COJUSD) — Safe Security, Baton Training, and CPR will start in November Information will be left with Edith for any interested person.

Lori Morton – Tulare Adult School (TAS) — Robert Owen is the new Assistant Director, and a new Part-time Special Education Teacher that will run a lab two-days a week and assist students with special needs study skills. For CTE Programs we are bringing back Culinary Basics. We have a Home Healthcare Class that we offer Mondays and computer basics on Tuesdays and Thursdays. We have spots open in our QuickBooks Class, which are in the afternoons Mon- Wed – Fri. Orientations for C.N.A. and M.A. are coming in October.

Erica Gonzalez – Farmersville Adult School (FAS) Orientations and Assessments start next week, and classes start on September 1st. In January we start our next cohort for the building and Construction Trades Core. I am looking for a part-time Navigator and aworking on getting a part-time counselor.

Aleyda Montenegro – Tulare County HHSA (TAS) — The agency is getting a new statewide system currently we use CalWin and are migrating to CalSaws. This is done throughout the state in waves and Tulare County is scheduled for February 2023. Staff starts web-based training modules in November with in-person beginning In January. Nothing will change in services during this time, referrals will still be processed.
