**SUBJECT:   SALARY AND BONUS LIMITATIONS FOR 2020**

**EXECUTIVE SUMMARY**

□

This policy provides guidance and establishes the procedures regarding the 2020 salary and bonus limitations for individuals paid by funds appropriated to the Department of Labor (DOL) Employment and Training Administration (ETA). This policy applies to all subrecipients expending Workforce Innovation and Opportunity Act (WIOA) program funds. The 2020 salary rates for executive level employees became effective January 1, 2020.

This policy contains no local or state-imposed requirements.

This policy supersedes *WIB Salary and Bonus Limitations for 2018* (TUL 18-06), dated October 8, 2018. Retain this Directive until further notice.

**BACKGROUND:**

On June 15, 2006, President Bush signed into law an emergency supplemental appropriations bill, Public Law 109-234. Section 7013 of this law limits the salary and bonus compensation for individuals paid by funds appropriated to ETA and provided to recipients and subrecipients. Specifically, Section 7013 states the following:

“None of the funds appropriated in Public Law 109-149 or prior acts under the heading ‘Employment and Training’ that are available for expenditure on or after the date of enactment of this section shall be used by a recipient or subrecipient of

such funds to pay the salary and bonuses of an individual, either as direct costs or indirect costs, at a rate in excess of Executive Level II, except as provided for under Section 101 of Public Law 109-149. This limit shall not apply to vendors providing goods and services as defined in the Office of Management and Budget Circular A-133\*. Where States are recipients of such funds, States may establish a lower limit for salaries and bonuses of those receiving salaries and bonuses from subrecipients of such funds, taking into account factors including the relative cost of living in the State, the compensation levels for comparable State or local government employees, and the size of the organization that administers federal programs involved including Employment and Training Administration programs.” As a result of this law, the ETA issued TEGL 05-06 on August 15, 2006. This TEGL discusses the limitations on salary and bonus payments that can be made with funds appropriated to the ETA. Specifically, this TEGL provides information on programs affected by this provision, effective dates, and funding cycles, covered individuals and transactions, application of the limitation, and related grant and contract modifications.

\*Note, the OMB Circular A-133 referred to above was replaced by the Uniform Guidance.

**POLICY AND PROCEDURES:**

Public Law 109-234 sets the limit on salary and bonus compensation for individuals paid by funds appropriated to ETA at a rate equivalent to no more than Executive Level II. A salary table providing this rate is listed on the [Pay and Leave](#) webpage of the Federal Office of Personnel Management's website. These levels are adjusted annually.

Effective January 1, 2020, the salary and bonus limit is set to \$197,300. It should be noted that these limitations do not apply to benefits that are not salary and bonuses. For example, fringe benefits, insurance premiums, or pension plans paid by a subrecipient are not included in this calculation. Per DOL’s ETA Region 6 Office, the salary and bonus limit applies to both the gross amount of salary and bonus, and to the rate at which the salary is paid. As a result, for individuals who do not work full time on ETA funded projects or who are only employed part-time or part of the year, the salary and bonus limit will be prorated based on the amount of time the individual is dedicated to the ETA funded grant. The following are examples provided by DOL ETA Region 6 to illustrate how the limitations are calculated based on salary and bonus levels, as well as the rate at which they are paid:

**Example 1**

An Executive Director’s W-2 for 2020 includes \$150,000 of gross compensation. The Executive Director worked part- time (.50 Full-Time Equivalent [FTE]) all year. One hundred percent of the Executive Director’s salary costs benefited ETA-funded programs.

2020 Salary and Bonus Limit	\$197,300
Salary eligible for the salary and bonus limit .50 FTE x 100% of salary = 50% (Calculation: \$197,300 x 50%)	\$98,650
Total gross compensation	\$150,000

Salary costs benefitting ETA-funded programs (Calculation: \$150,000 x 100%)	\$150,000
---	-----------

Salary in excess of the salary and bonus limit (Calculation: \$150,000 - \$98,650)	\$51,350
---	----------

In this scenario, the Executive Director’s salary is eligible for 50 percent of the annual salary and bonus limit (.50 FTE x 100% of his salary benefited ETA-funded programs). Therefore, \$98,650 (\$197,300 x 50% = \$98,650) of the salary may be paid using ETA appropriated funds or other federal funds. The remaining \$51,350 (\$150,000 - \$98,650 = \$51,350) of the salary is in excess of the allowable 2020 salary and bonus limit and must therefore be paid using non-federal funds.

**Example 2**

An Executive Director’s W-2 for 2020 includes \$150,000 of gross compensation. The Executive Director worked part- time (.50 FTE) all year. Seventy percent of the Executive Director’s salary costs benefited ETA-funded programs.

2020 Salary and Bonus Limit	\$197,300
Salary eligible for the salary and bonus limit .50 FTE x 70% of salary = 35% (Calculation: \$197,300 x 35%)	\$69,055
Total gross compensation	\$150,000
Salary costs benefitting ETA-funded programs (Calculation: \$150,000 x 70%)	\$105,000
Salary in excess of the salary and bonus limit (Calculation: \$105,000 - \$69,055)	\$35,945

In this scenario, the Executive Director’s salary is eligible for 35 percent of the annual salary and bonus limit (.50 FTE x 70% of his salary benefited ETA-funded programs). Therefore, \$69,055 (\$197,300 x 35% = \$69,055) of the salary may be paid using ETA appropriated funds or other federal funds. Since only 70 percent of the Executive Director’s salary costs benefited ETA-funded programs, the remaining amount of \$35,945 (\$150,000 x 70% = \$105,000 - \$69,055 = \$35,945), which is in excess of the allowable 2020 salary and bonus limit, must be paid using non-federal funds.

**Example 3**

An Executive Director’s W-2 for 2020 includes \$200,000 of gross compensation. The Executive worked full time all year. Forty percent of the Executive Director’s salary costs benefited ETA-funded programs.

2020 Salary and Bonus Limit	\$197,300
Salary eligible for the salary and bonus limit (Calculation: \$197,300 x 40%)	\$78,920
Total gross compensation	\$200,000

Salary costs benefitting ETA-funded programs \$80,000  
(Calculation: \$200,000 x 40%)

Salary in excess of the salary and bonus limit \$1,080  
(Calculation: \$80,000 - \$78,920)

In this scenario, the Executive Director's salary is eligible for 40 percent of the annual salary and bonus limit (40% of his salary benefited ETA-funded programs). Therefore, \$78,920 ( $\$197,300 \times 40\% = \$78,920$ ) of the salary may be paid using ETA appropriated funds or other federal funds. Since only 40 percent of the Executive Director's salary costs benefited ETA-funded programs, the remaining amount of \$1,020 ( $\$200,000 \times 40\% = \$80,000 - \$78,920 = \$1,080$ ), which is in excess of the allowable 2020 salary and bonus limit, must be paid using non-federal funds.

All subrecipients of WIOA program funds are required to comply with federal requirements regarding the limitations on salary and bonus payments. Additionally, subrecipients are required to follow the instructions for implementing the salary and bonus limitations as provided in [TEGL 05-06](#).
