

# HEALTHCARE

### **OVERVIEW**

The Healthcare industry cluster includes acute care and outpatient hospitals, nursing homes, and rehabilitation centers, adult daycare centers, and community service agencies for the elderly.

This sector includes all of these components because it is sometimes difficult to distinguish between the boundaries of these activities. The industries in this sector are arranged on a continuum starting with establishments providing medical care exclusively, continuing with those providing health care and social assistance, and finally finishing with those providing only social assistance.
